

One Day Food Manager Certification Course and Exam Offerings for 2012

Maricopa County requires all food service establishments to have one certified food service manager on staff. For your convenience, SFH is offering a one-day food manager certification course in several valley locations throughout 2010. The cost of the one-day course is **\$130**, which includes classroom instruction, a comprehensive food safety training manual, and a **Certified Professional Food Manager Exam**, which upon passing will enable you to receive your 5-year food safety certificate.

On-line Food Safety Course

Have a busy schedule? On-line courses are now available in English and Spanish for **\$175**, which includes the examination. Students must still come to one of our convenient locations to take the **Prometric Certified Professional Food Manager Exam**.

On-site Training

Need a class taught On-site? Special classes can be set up for 7 or more people and taught at your location if needed. Call today to make arrangements!

Company Information

Safe Food Handlers Corporation has been training food service managers for the past 20 years and has trained thousands of food service professionals in over 30,000 companies. All Phoenix area classes are taught by highly trained instructors who hold the **Certified Food Professional Certificate**.
